

4th Grade Summer Math Assignment TLC

The Math assignment can be found [here](#). Please print this document and have your child circle and complete *at least 5 activities*. Products, pictures, papers, etc., should be brought in a folder on the first day of school.

4th Grade Summer Reading Requirements TLC

Assignment

Each rising 4th grader must read a total of **TWO BOOKS** this summer and complete **TWO PROJECTS** (one book summary and one poster).

Current Reading Level

Students are encouraged to read books at their **CURRENT READING LEVEL**, while picking something that sounds interesting to them. A list has been provided of books at each reading level. If a parent is unsure of their child's current reading level, please contact their third grade teacher for assistance. Feel free to reach out if you have questions.

Book Selections

Students must read one book from the list below and one book of their choice (that they have not previously read).

Accommodations

Students are welcome to use audio support while reading their summer books. If they choose to use this accommodation, the student needs to be following along with the text - whether listening to a digital recording or a parent/caregiver reading it with them.

Book One: Book Summary

While reading - try to take some notes to help you remember what has happened. You can use a BrainFrame, sticky notes, draw pictures - whatever works for you.

After reading your first book, type a plot summary. Follow the format of the sample below. You must **TYPE** your response.

Students will turn in their notes and the typed summary on the first day of school.

Joe Smith (Name) 4th Grade (Grade) <i>The Lion, the Witch, and the Wardrobe</i> (Book Title) C. S. Lewis (Author) Plot Summary: Write one paragraph (minimum 5 sentences, maximum 10 sentences, single spaced). Summarize the main points of the book. Be sure to include the names of major characters and descriptions of important events. You must use your own words. DO NOT look at or copy from the back of the book or summaries on the internet.

Book Two: Poster

Create a **POSTER** for your book. Include the title, author, characters, and plot (the important events from the book). You may include pictures, drawings, or words.

Summer Reading Book List

Second Grade reading level
